

DENNIS BERNARD'S  
**POWERTOOLS**<sup>®</sup>  
FOR PROFESSIONAL HAIR COLOR

**G.O.D**<sup>™</sup>

**Covers Resistant Gray Completely. Use G.O.D In Semi, Demi And Permanent Hair Color. G.O.D Can Also Be Used In Lightener And Shampoo. Helps Color Penetrate Better. Adds Depth And Shine To Any Manufacturers Hair Color. Does Not Affect Processing Time.**

---

**G.O.D IS ADDED TO THE TOTAL FORMULATION**

**Total Formulation Of  
Color + Developer Together Equaling:**

**Levels 1 - 6**  
The color being applied

**If Color +  
Developer =** 2 Ounces, Add 10 Drops  
3 Ounces, Add 15 Drops  
4 Ounces, Add 20 Drops

**Levels 7 - 12**  
The color being applied

**If Color +  
Developer =** 2 Ounces, Add 5 Drops  
3 Ounces, Add 8 Drops  
4 Ounces, Add 10 Drops

Mix color, add drops to mixture, apply and process as usual.

---

**IMPORTANT PLEASE NOTE: When added to your color, G.O.D's color in the bowl appears to have a different color tone than your eye is use to seeing. This is normal and will have no effect on your desired end result.**
